

Making home building simple

Build it is a full service builder's merchant offering expert advice and the best product ranges for all of your hardware and building requirements.

The Benefits of becoming a Build it member:

• Powerful Brand

The Build it brand continues to grow and prosper. It is one of the most loved and admired brands in our industry.

• Build it Family Network

The exchange of knowledge at the various meetings, events, etc. provides a forum to discuss opportunities and common challenges with fellow members.

• National Sponsorships

The sponsorship of boxing at a national level and under-13 soccer in your community lifts your visibility and relevance in your community. This is an ideal opportunity to give back to customers by supporting sports that they are passionate about.
